Candidates for the Georgia Chapter of NIGP (GANIGP) Buyer of the Year Award are selected from nominations submitted by Georgia Chapter of NIGP (GANIGP) chapter members, including those self-nominating. The nominee must be actively employed full-time in public procurement and must be an active (2012) GANIGP member in good standing. Good standing includes having submitted all expense forms and associated receipts or documentation related to past grant awards, scholarships and chapter awards. In addition, the nominee must have attended at least two chapter business meetings held between December 1, 2011 and November 15, 2012. This will be verified. Committee meeting attendance or Expo attendance does not substitute for this requirement. Note that an applicant may submit an application for the 2012 GANIGP Buyer of the Year or be nominated for the 2012 Outstanding Service Award and also submit an application for a 2012 Scholarship Award but will not receive an award AND a scholarship in 2012.

The definition of Buyer is limited to those buyers who have little or no supervisory or management of people responsibilities in the organization. The Buyer function as defined by the UPPCC "involves the process of determining the customer requirements, reviewing specifications or requirements, developing and issuing bids, evaluating offers and selecting the vendor, arriving at fair and reasonable price and terms, preparing the contract or purchase order, vendor relations, following up to ensure timely delivery, shipping/receiving, inventory and warehousing, and contract administration/management provisions."

Personnel involved in one or more facets of the procurement cycle shall also be eligible: managers of contracts; warehouse personnel including storekeepers, stocking personnel and property accountability personnel; contract oversight personnel such as engineers; and MBE/WBE outreach personnel. Buyers must have performed the activity themselves or have had primary responsibility for performing the activity as a member of a team.

All documentation submitted must be clear, easy to read and follow, and be verifiable. It is not the responsibility of the committee to seek out validity of information presented. If it is determined that any portion of the application has been what is deemed to be deliberately falsified, the application will not be considered. When possible, include minutes or notes of meetings attended. . If it is not possible to provide evidence of attendance or participation, submit what information is available.

The committee has the right to not make any 2012 Buyer of the Year Award. A minimum of 30 points must be obtained for the application to be considered for an award. The committee has the right to award partial points in a category. Scoring by the committee is confidential and final.

The applicant awarded the 2012 GANIGP Buyer of the Year Award will receive all travel (coach), hotel, registration, and per diem expenses to the 2013 NIGP Forum. If the applicant is not able to attend that session and sufficient notice is

provided to receive a refund or credit, the GANIGP Executive Committee may offer the awardee the opportunity to attend the 2014 NIGP Forum or make other arrangements.

When the GANIGP Buyer of the Year awardee attends the NIGP Forum, he or she does so representing the GANIGP and is expected to attend the sessions and to display professional conduct and decorum during the entire session.

All submissions must follow the submission requirements in order to be considered.
